Dear Mr. Regulski:

Re: Surety Bond for Jay Pagano Estate, Pagano Clay Project, S/015/062, Emery County, Utah

Pursuant to our phone conversation today, I am sending you three types of surety forms for the reclamation surety you said you were going to post for the Pagano Clay project. You will also need to submit a Reclamation Contract along with the surety. The Reclamation Contract and guidelines for filling it out are also enclosed.

If you need assistance or have any questions in submitting this surety, please contact Holland Shepherd or Wayne Hedberg. Thank you for your efforts and assistance in resolving this outstanding permitting issue.

Sincerely,

Joelle Burns
Minerals Secretary
